

# Vote Rodgers

Hi, my name is Taylor Rodgers and I am a fifth year pupil. I am Northern Irish, but have lived in the small village of Invergarry for most of my life. In my spare time I enjoy playing sports and I am currently part of Glengarry under 17's shinty team and I also play tennis, hockey and skiing in winter. I am an enthusiastic and hard-working individual who puts 100% into everything I do.

My older brother was an executive member of the Highland Youth Parliament for 2 years and his experience has given me the knowledge and insight on what is required to be an effective representative for the area of Lochaber. I am currently a member of the Pupil Voice as I feel that there are several issues within the school that need to be addressed. I think this is good preparation for my potential role in the HYP if I am voted as representative.

I am very passionate about this area of work and aim to ensure everyone's voices are heard and

If I think I have the right skills and qualities needed to effectively represent the young people in Lochaber and if I am successful in being voted into the Highland Youth Parliament, I will do whatever is necessary to make life better for young people in Lochaber. I will speak up for the people of Lochaber and any issues affecting our area and do my best to ensure everyone has the opportunity to have their voices and opinions heard. I will make myself available and accessible to anyone in the school that may have issues or concerns that they want mentioned at the HYP meetings and I will do what I can to have these problems resolved.
