

## Health and Well-being Survey January 2021

Hello,

I hope you are well in these challenging times. I normally send out a HWB survey via Tutor Support at this time of year. This year I have changed the survey topics to find out how our LHS pupils are feeling about school during online learning.

The results of this snapshot of S1-S3 BGE engagement can be viewed below. I am not going to go over each one as the results are self-explanatory. Can I ask that you also remember that this is not every BGE pupil, it was sent out to every S1, S2 and S3 pupil but there are 216 responses so this is a fair “snap shot” of how the LHS pupils are feeling.

Anyway, I do hope we take comfort in the results from the pupils who have engaged. The feedback is positive and a true reflection of how hard everyone at LHS is working at present. Keep on, keeping on! and well done.

If you have any further questions, please email me direct. I will be happy to discuss further, take care and stay safe,

Thanks, Yvonne Clark
