Dear Parents/Carers,

### **Re: Invitation to Supported Study**

As the Head Teacher of Lochaber High School, I am writing to invite your child to participate in our after-school Supported Study sessions. I am asking you to encourage your child to commit to attend what is a wonderful opportunity.

We understand the importance of ensuring that every student feels supported and equipped to do well academically. With this in mind, our staff are offering these sessions free of charge, as part of our commitment to providing the best possible educational experience.

We kindly ask for your support in encouraging your child to commit to attending these sessions. The timetable for Supported Study can be accessed by the link below:

Attending Supported Study can make a significant difference in a student's academic journey. It offers them the opportunity to delve deeper into their subjects, clarify any areas of confusion, and solidify their knowledge and skills. Furthermore, these sessions provide a supportive environment where students can ask questions, seek guidance, and engage in focused learning alongside their peers. Ultimately, by the end of these sessions, your child will be better prepared for their SQA final exams.

Should you have any questions regarding these sessions, please do not hesitate to contact us.

Yours sincerely,

*Scott*
