

S2 » S3 » S4 Subject Choices – Moving into and through the Senior Phase

LOCHABER HIGH SCHOOL

– MARCH 2020

S2 » S3 » S4 Choices

- You should be actively considering what you want to do in the future, if you have not already done so, start now! <https://www.myworldofwork.co.uk/my-career-options/choosing-my-subjects>
- Think about what classes will give you the best qualifications to move forward?
- Think about the subjects which are relevant to your career path?
- Think about what you enjoy, what you are good at and what you need to get the career you want.

S2 » S3 » S4 Choices

Moving towards S3

- You must choose seven subjects in addition to English and Maths.

Moving towards S4

- You must choose 6 subjects including English and Maths.

At this stage in your learning you must consider the following:

- ***behaviour and attitude towards school and learning***
- ***attending full-time, which is having 100% attendance***

A message to parents and pupils

All pupils are entitled to a Broad General Education in S3 in which they study a core curriculum that is based on the following subjects:

- *English*
- *Maths*
- *Physical Education*
- *Religious Studies*
- *Health & Well-being.*

In addition to this core curriculum pupils get the opportunity to personalise their curriculum by choosing ***seven*** additional subjects.

Step 1

Following the guidelines below, choose one subject in each column and write it in the box provided.

- Choose an **Expressive Art (Art & Design, Music or Drama)**
- Choose a **Science (Biology, Chemistry and Physics)**
- Choose a **Social Subject (Geography, History, Modern Studies, Business Management)**
- Choose a **Technology (Administration, Computing Science, Design & Manufacture, Graphic Communication, and Practical Woodworking)**
- You now need to choose two additional subjects either from the list above or a combination from the list above and the following – *Practical Cookery, Religious & Moral Education, Physical Education.*

C	D	E	F	G	H
Art & Design Biology Biology Chemistry Computing Sc Design & Manu Drama History	Administration Biology Biology Chemistry Drama Practical Cookery PE Physics	Biology Biology Business M Geography Graphic Comm Modern Studies Practical Wood	Administration Art & Design Computing Sc Computing Sc Drama History Music	Art & Design Chemistry Music PE PE Physics RME	Chemistry Computing Sc Geography Modern St Physics Practical Wood Practical Wood

Step 2

You must now choose a Language (*French, Gaelic Learners, or Gaelic Medium*)

Language Choice
